Welcome to NorthPoint Health & Wellness Center Dental Clinic!
We are located at 1313 Penn Avenue North, which is near the intersection of Plymouth and Penn Avenues. Our facility is just north of downtown Minneapolis. Employee parking is located on the East side of Penn Avenue (parking is free). The parking lot adjacent to the building is for patients only.

Upon entering through the main door, you will find the dental clinic on the left. You are scheduled to see patients from 8:30 – 4:30. Please arrive 15 minutes early. It will be necessary to wear a nametag and have your student ID each day. Scrubs or office attire may be worn, however jeans are not permitted. You may want to bring lunch as there is no cafeteria on site. The lunch break is typically an hour.

*If you have an emergency, are sick or arriving late, call 612-302-4740 (dental clinic) and Carla at 612-302-4710 as early as possible. Leave a message at both numbers if unable to reach anyone.

As a community health clinic, we provide comprehensive dental care to families living in the near north and greater Twin Cities Metropolitan areas. We also see patients from many rural areas throughout Minnesota. Both private and state insurance plans are accepted. And, we offer a sliding fee scale.

Our facility has state-of-the-art dental equipment, including digital x-rays and electronic dental record technology. Currently, we have 12 dental treatment operatories and 5 hygiene operatories. Upon completion of our major renovation project in the fall of 2006, we will add 6 additional operatories.

Our mission is to address the dental needs of each patient with respect and compassion, being ever mindful of the patient’s total health. Endeavoring to provide the best possible treatment, while educating the patient regarding his/her condition and treatment options so that an informed decision can be made by the patient.

We hope that your time at NHWC will be a rich and rewarding experience. We look forward to meeting and working with each of you.

Sincerely,

Rochelle Avent-Hassan, D.D.S.                                         Carla McMorris, RDH, BS.
Dental Director                                                        Dental Clinic Manager
